Amboseli National Park

Located in the southern reaches of Kenya, the Amboseli National Park is renowned for its excellent variety of wildlife such as Maasai giraffe, elephant, lion and cheetah and not surprisingly it is one of Kenya's most popular parks. The landscape of Amboseli is dominated by the majestic snowcap of Mount Kilimanjaro, as well as open plains, acacia woodland, swamps and the massif of Ol Doinyo Orok. The birding is excellent, especially closer to the lakes and swamps. The park is famous for being the best place in Africa to get close to large herds of elephants among other wildlife species. Other attractions include opportunities to meet the Maasai people and soak up spectacular views of Mount Kilimanjaro, the highest free-standing mountain in the world.

A place of rugged beauty, abundant water, lush green grass and forest, set like an oasis in the surrounding savannah shrubland. To crown it all, this is where you get one of the world's most awe-inspiring sights – dawn breaks and the sunsets over the 19,000-foot snow-capped dome of Africa's highest mountain!

Day 3: Lake Naivasha Sopa Resort, Lake Naivasha

Lake Naivasha

Lake Naivasha, in Kenya's Nakuru County, is the highest of the Great Rift Valley Lakes and despite having no outlet, it is one of only two Rift Valley freshwater lakes. Fringed by papyrus and acacia trees, this gorgeous setting is a unique geologic landscape that supports over 450 bird species. The lake serves as the main drinking hole for wildlife in the area such as zebra, eland, hippo, waterbuck, buffalo and many more animals, allowing for some superb game viewing. Visitors can look forward to intriguing night safaris, and boating excursions around the lake as well as to beautiful Crescent Island for spectacular bird watching. Other popular activities include horse riding, village visits and tours to several impressive neighbouring national parks.

Overnight: Lake Naivasha Sopa Resort [View iBrochure](#)

Naivasha is a Masai name given to the area, denoting the characteristics of the lake.

21 cottages are built in a crescent shape, and each has four rooms, totaling 80 standard rooms and Two suites. Two of these rooms are suitable for the physically challenged. Six of the 21 cottages have interconnecting rooms on the ground floor.

Rock gardens feature vibrantly coloured flowers, which give a beautiful contrast to the greenery of the well-manicured lawns. Monkeys play on the lawns and different species of birds chip in the trees. Pathways wind between the open lawns and frangipanis, with aloes and proteas growing in abundance. The acacia trees are plentiful in this area and provide welcome shade. The stone exterior walls of the cottages are carried into the rooms. Ground-floor rooms have two queen-size beds and a sunken living room at the front, which opens out on to the beautifully manicured lawns.

Day 4: Sarova Mara Game Camp, Masai Mara

Masai Mara

The Masai Mara together with Tanzania's Serengeti form Africa's most famous wildlife park, the Masai Mara National Reserve. The image of acacia trees dotting endless grass plains epitomises Africa for many, then add a Maasai warrior and some cattle to the picture and the conversation need go no further. The undeniable highlight of the Masai Mara National Reserve is undoubtedly the annual wildebeest migration traversing the vast plains of the Serengeti and the Masai Mara. It is known as the largest mass movement of land mammals on the planet – with more than a million animals following the rains. Large prides of lions, herds of elephants, as well as giraffes, gazelles and eland can also be spotted in the reserve. Aside from horse riding safaris and traditional vehicle safaris, hot-air ballooning over the Mara plains has become almost essential.

Overnight: Sarova Mara Game Camp

Nothing quite captures the true spirit of East Africa like a safari in Kenya's richest game reserve, the Maasai Mara. Sarova Mara Game Camp offers front seats to nature's most breathtaking show - the wildebeest migration. The endless plains of East Africa are the setting for the world's greatest wildlife spectacle where, from the vast Serengeti plains to the champagne coloured hills of Kenya's Maasai Mara, over 1.4 million wildebeest and 200,000 zebra and

gazelle, relentlessly tracked by Africa's great predators, migrate in a clockwise fashion over 1,800 miles each year in search of rain ripened grass.

Sarova Mara Game Camp is well positioned to enjoy this unique phenomenon. The rolling plains around the Camp are teeming with wildebeest, gazelles and zebras during the migration months, and the Camp is situated right in the center of their migration path. A wildlife safari puts you right in the middle of all this action. Get a first-hand account of this epic phenomenon and live to tell the tale. A safari also helps you acquaint yourself with the landscapes of this beautiful African setting.

Sarova Mara Game Camp is also the ideal choice for those seeking a richer experience of the Maasai Mara that goes much beyond just game drives. By virtue of its location and layout, the Camp offers an unparalleled plethora of activities and experiences from luxury tented living to bird-watching, mini golf, sport fishing and a unique insight into the Maasai culture at the adjoining Maasai village.
